

Activities for the session 2024-25
of
“Economic Society”
Department of Economics
G.B.Pant Memorial Govt.College Rampur Bushahr, Shimla, H.P.

“Economic Society” in the department of economics is an economic, social and cultural platform for the students of economics. The society organizes different activities specifically pertaining to the socio-economic and cultural responsibilities of the students. Consequent upon, during the academic session 2024-25, economic society organized the different activities to sensitize the society, besides the academic engagement.

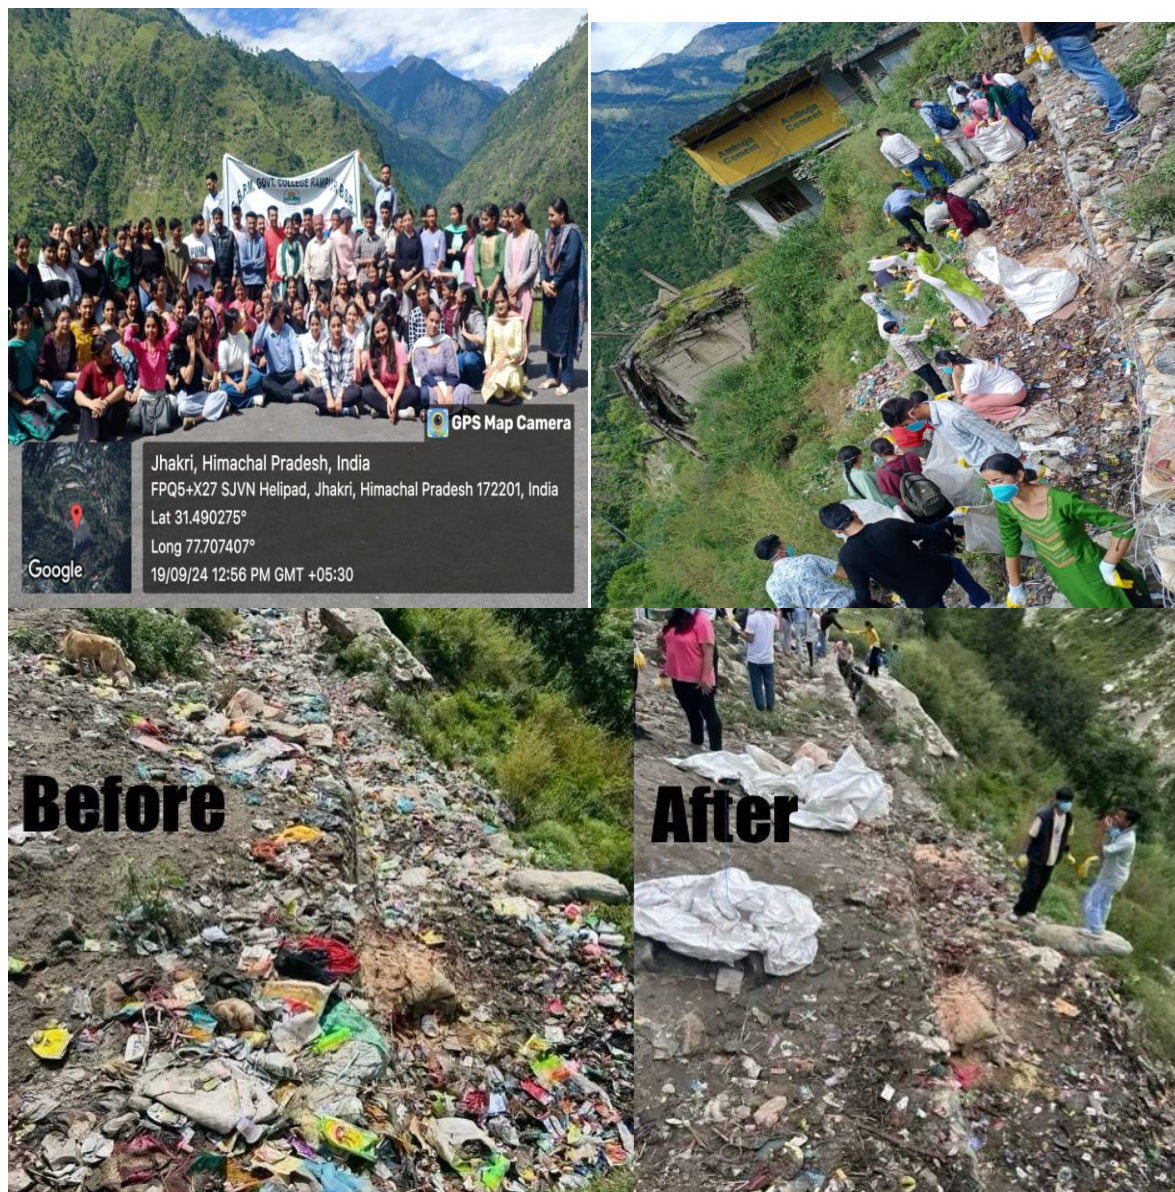

1. An orientation programme was conducted for the freshers on 3rd and 5th August 2025. A lecture on course outcome and programme outcome was delivered by the head of the department assistant professor Anil Kumar. The orientation of the students about moral and ethical values was the part of this programme also. Further, the students were also made familiar with the infrastructure of the institution such as classrooms, canteen, e-resource centre, HP University branch and Library etc.

2. A lecture on Financial Literacy was organized on 13th September, 2024 to educate the students about banking frauds and various financial schemes of the banks. The lecture was a joint effort of project money wise of RBI and State bank of India. Miss Ruchi Gautam centre project Manager “Money Wise” was the keynote speaker followed by Mr. Sachin Kashyap Deputy Manager State Bank of India. Mr Vishal Assistant Manager and Mr. Ankur form SBI and Miss Ranjana Sharma Field Trainer of Project Money wise were also present in this lecture.

- Besides, academic activities the Economic Society took an initiative to spread awareness about the cleanliness in the society. Therefore cleanliness drives in collaboration with NJHPS (SJVNL) under the initiative of “Swachhta Hi Seva-2024” at Jhakri (Brone Khad) on 19th September 2024. A huge amount of plastic and other waste was gathered for decomposition. The Project head of NJHPS Jhakri Mr. Manoj Kumar, GM and Dam incharge Nathpa Mr. Sandeep Kumar, Senior Manager CSR Mr. Brijray Upadhyaya, Mr. Anil Kumar HOD Department of Economics, Dr. Satpal Assistant Professor, Ms. Pushpa Goswami Assistant Professor and 94 students of the society were present in this cleanliness drive.

- An educational tour was organized for the students to Hateshwari Mata temple on 4th December, 2024. It is a famous religious and historical place located in Hatkoti (Rohru). The aim of the visit was to provide students an opportunity to learn about the cultural, historical and architectural significance of the temple as well as experience the spiritual essence of the place. Mr. Anil Kumar HOD Department of Economics, Dr. Satpal Assistant Professor, Ms. Pushpa Goswami Assistant Professor and 45 students of the society visited the temple. As a part of our social responsibility initiative, our society also conducted a cleanliness drive in and around the temple premises, promoting the importance of heritage conservation and environmental awareness.

5. As, the economics and industries are correlated to each other. To provide the industrial experience and knowledge of relationship between inputs and outputs, and the technical knowhow on 17th December 2024, the students of Department of Economics visited the Business Promotion Centre at Shoghi. It is an industrial area developed by the department of industries to the government of Himachal Pradesh, providing the place for establishing industries and prompting the industrial activities. No place could be the better rather than this place for the students to visit and experience the theoretical knowledge of economics to convert it into practical one. In this tour, Mr. Anil Kumar HOD Department of Economics, Dr. Satpal Assistant Professor, Ms. Pushpa Goswami Assistant Professor and 37 students from BA 3rd and MA Economics participated. The purpose of this visit was to understand the industrial operations, manufacturing processes of the various industrial units. The students specifically gain information about the production & packaging of food & fruit processing units, cosmetic units and winery units. A session was organized for students chaired by Ravinder Kumar (District Resource person of DIC Shimla) to educate the students about the establishment of new startup.
