B.VOC PLACEMENT (RETAIL MANAGEMENT)

Hi Everyone,

My name is Reeta Kumari alumni of GDC Rampur Bushahar, B.Voc.Retail Management (2018-2021)batch. Choosing a career is usually a difficult step for students like me who hails from small town, where exposure is low and guidance is limited. One of my senior told me about the **Bachelor of Vocational Education (B.Voc.)** program in "**Retail Management**" and "**Hospitality & Tourism** " is being introduced in the college under ADB assisted Himachal Pradesh Skill Development Project of Himachal Pradesh Kaushal Vikas Nigam. I always aspired to work in Retail Sector and thought it would be an excellent opportunity for me. So, I discussed about the program with my parents and finally decided to enroll in the program that gave direction to my dreams. The leadership of our teachers, curriculum of the program, especially skill component, OJT program helped a lot in learning and building skills in Retail sector. I even started extra-curricular activities like singing during college functions, whereas before I was afraid to face the audience. During my Industrial Training offered under the program, I learnt lot of things like how to communicate with customers, how to present myself and maintaining a calm personality. In just three years during my course period, I have noticed a lot of changes in my personality. I have noticed that my confidence level increased, my personality, domain skills and especially my communication skills improved all through the course. I offered to start my carrier with PTC Store as a Sales Associate in Panchkula, Haryana in 2021 along with the package of 12KCTC p.m. After the year, I received another opportunity to work with SWINTON HOUSE – JAIPUR (Rajasthan) as Desk Manager with the package of 35K per month.

I would like to thanks B.VOC Course team, just because of this degree at college level, we were able to joined such a beautiful professional degree, we joined near to our native only.

Meet Shivani, a dynamic retail student of GDC Rampur. whose journey epitomizes the transformative power of education. Hailing from a small town with a passion for customer service, Shivani found her calling in the retail industry early on. Throughout her college years, she immersed herself in coursework tailored to retail management, marketing, and consumer behavior. Beyond the classroom, Shivani sought out internships and part-time roles in local retail stores, honing her skills and gaining real-world experience. Her dedication and hard work paid off as she earned recognition for her outstanding performance and leadership within the retail community. Reflecting on her journey, Shivani attributes her success to the solid foundation provided by her college education, which equipped her with the knowledge and skills necessary to excel in the dynamic world of retail. As she looks to the future, Shivani is excited to continue making a meaningful impact in the industry she loves, fueled by the lessons learned and connections made during her time at college. I offered a placement to work with Amartex – Panchkula with the package of 16K pm as a Departmental Manager. After completion of one and half year in the same organization, I shifted to EDUPHORE – Chandigarh as a Sales Head and getting 38K per month.

Thank You..!!
