

## Introduction of Department

The Department of Computer Science offers two degree Bachelor of Arts (B.A.) in Computer Application and Bachelor of Science (B.Sc.) Physical Science with Computer Science. As a degree of its own or combined with other disciplines, Computers can be your key to rewarding future. Syllabi of these programmes are designed considering the requirement of time as well as the demand of the IT industry. The department strives to offer excellent academic environment with a team of highly qualified faculty to inspire the students to develop their technical skills. The department has well equipped laboratory filled with sufficient computers.
